Dear Dr. Russell:

Congratulations! The Association of School Business Officials (ASBO) International is pleased to announce that McMinnville School District No. 40 has received ASBO's Certificate of Excellence in Financial Reporting for the fiscal year ending 2014.

As the only award program specifically designed for school district financial reporting, the COE represents a significant achievement and reflects a high level of commitment to fiscal integrity. To receive the award, the district must satisfy specific guidelines for effective, high-quality financial reporting recognized by school business officials.

Your school district merits special recognition for receiving this prestigious award. Please feel free to use the attached press release to share this important achievement with your local press and the community.

Congratulations to you and the members of your staff who worked so hard to earn the COE this year.

Sincerely,
