

McMINNVILLE SCHOOL DISTRICT COMMUNITY NEWS | SUMMER 2026

The McMinnville High School Class of 2026 celebrates graduation on June 5, 2026. With 547 graduates, this was the largest class to walk across the stage at Wortman Stadium in school history.

A Message From Dr. Ferrua

Superintendent, McMinnville School District

Choosing where your child will learn and grow is one of the most important decisions a family can make. As superintendent, a proud graduate of McMinnville schools, and the parent of two recent MSD graduates, I understand that decision from many perspectives.

What makes our schools special is not just what students learn, but the opportunities they have to discover who they are and who they want to become. From free Pre-K and free meals to career pathways, athletics, arts programs, clubs, and college credit opportunities, MSD is committed to helping every student thrive.

We are proud to offer strong academics, supportive learning environments, and experiences that prepare students for success after graduation. Whether students are exploring a future career, performing on stage, competing in athletics, or building strong literacy skills in elementary school, they are developing the knowledge, confidence, and

connections that will serve them throughout their lives.

As I watched my youngest child graduate this spring, I was reminded of the incredible impact our teachers, staff, coaches, and community partners have on students every day. Their dedication helps make our schools places where students feel supported, challenged, and inspired.

Just as important, our schools are places where relationships matter. Students are known by name, families are valued partners, and our community comes together to support student success. That sense of belonging is something special,

and it is one of the reasons so many families choose McMinnville schools.

Whether you are already part of the MSD family or considering enrolling your child, I invite you to discover all that McMinnville School District has to offer.

What Families Receive at MSD

High-Quality Education

Research-based instruction, strong literacy programs, and dedicated educators to help every student succeed.

Family Resource Center

Food, clothing, school supplies, laundry facilities, and community resources available in Spanish.

College and Career Readiness

College credit opportunities, career pathways, and future planning for all students.

Enrichment Opportunities

Athletics, the arts, clubs, activities, survival swim lessons, outdoor school, field trips, and more.

Student Supports

Counselors, social workers, mental health supports, and free meals for all students, regardless of grade level.

Transportation

Safe and reliable bus service for eligible students, to and from school.

OUR CORE CLASS SIZE COMMITMENTS

We are committed to maintaining supportive learning environments.

Certification &
Career Skills

Every Student Can Find Their Place

ATHLETICS

Competitive teams and opportunities for all skill levels.

CLUBS & ACTIVITIES

Leadership, robotics, academic, cultural, and social clubs.

THE ARTS

Band, choir, theater, visual arts, and more.

OUTDOOR LEARNING

Science experiences, outdoor school, field trips, and summer programs.

Our Strategic Investments

Prioritizing Class Sizes

Maintains current targets and provides more individualized support for early high school success.

Mental Health Supports

Prioritizing services that help students belong, feeling safe, supported, and ready to learn.

Focus on Early Literacy

Maintaining access to literacy support, research skills, and school library services.

Pathways Programs

Sustaining access to pathways that connect learning to real-world opportunities.

Secondary Block Schedule

Preserving extended learning time for deeper instruction and stronger relationships.

Long-Term Stability

Making responsible decisions now so we can sustain these priorities into the future.
