Equal Educational Opportunity

Every student of the district will be given equal educational opportunities regardless of age, race¹, religion, sex, sexual orientation⁺, gender identity, color, national origin, disability, marital status, parental status, linguistic background, culture, socioeconomic status, capability or geographic location.

The district shall develop and implement an Equal Educational Opportunity Plan that assures that no student will be excluded from participating in, denied the benefits of, or subjected to discrimination under any educational program or activity conducted by the district or denied access to facilities in the district.

A student or parent may also access and use the district's general complaint procedure through Board policy KL-Public Complaints.

All reports, complaints or information will be investigated.

The district will communicate the availability of policy and available complaint procedures to students and their parents through available district communication systems, and handbooks and will be published on the district website and made available at the district office during regular business hours.

A student of the district may not be subjected to retaliation by the district for the reason that the student has in good faith reported information that the student believes is evidence of a violation of a state or federal law, rule or regulation.

The district staff is directed to make a continuous effort to provide equal opportunities for students to learn and to continually strive to eliminate those conditions which may result in discrimination.
